Parent Newsletter

October 2019

Hello Parents!

We want to thank all of the families who participated in Back to School Night. I had a wonderful time talking to the parents, teachers and resource specialists that assist our students every day. Wesley Smith, the ASES Program Manager (After School Education and Safety), answered questions and demonstrated some of the program activities. The evening was quite informative.

If you know someone who is interested in attending SES, please tell them that school tours will start on October 22nd and continue until the close of open enrollment in February 2019. No appointment is necessary. Tours begin at 8:30am every Tuesday.

Get ready for our first SES PTSA Monthly Family Dinner Fundraiser on Tuesday November 5th at L&L BBQ off Florin Road in the Nugget Shopping Center. Come out and let L&L BBQ do the cooking for one night and enjoy time with other SES families. A portion of all sales goes to SES! Take-out orders also available with the use of the flyer. The PTSA is planning Monthly Family Dinner Fundraisers at different restaurants around our school in the first week of every month for the rest of the year. A schedule for the full year will be out soon. See you at L&L BBQ on Tuesday, November 5th!

The SES PTSA supports clubs, teachers, students, and activities at SES. Parents, teachers, and students are encouraged to join and volunteer. Membership envelopes are available in the office or visit <https://jointotem.com/ca/sacramento/school-of-engineering-sciences-pta/join>. You can also join by scanning this QR code. Membership dues are \$6.00. Join today!

- DeLicia Cole, PTSA President
