

# PTSA®

Dear Parents and Guardians,

The SES PTSA would like to welcome back our returning families and offer a warm welcome to the families who are new to the School of Engineering and Sciences (SES). Our organization is comprised of volunteers whose focus is to help and support the parents, staff and especially the students at SES. We encourage parents, students, and teachers to join and attend our meetings and participate with suggestions and ideas. Through fundraising efforts, we were able to donate funds to Teacher Appreciation Luncheon, Senior Graduation, Eighth Grade Defense Ceremony and other school activities.

The SES PTSA provides information and resources through email, newsletter, family programs, parent meetings and other forms of communication. In addition to discounts retailers and amusement parks, members are eligible for annual scholarships for graduating seniors and adults continuing their education. For more information, visit [capta.org](http://capta.org). Consider becoming a member and volunteering, whether you have 30 minutes or a few hours, your time and talents are truly needed.

You can show your support by participating in the various events we have planned throughout the year. Your participation might be as a committee member, volunteer, by donating or as an attendee. Whatever level of participation you can give will be greatly appreciated.

You can also support the SES PTSA by providing suggestions or ideas for potential programs and events. Please feel free to send an email to [ptsapres@seshs.org](mailto:ptsapres@seshs.org). We would love to hear from you!

SES PTSA believes it is very important that we do all we can to enhance the learning experience for all of our students. It will take all of us working together to make this happen. I look forward to working with you this year.

The School of Engineering and Sciences PTSA Board:

DeLicia Cole – President  
Ruth Angrisani – Secretary

Rosalinda Resendez – Treasurer  
Mary Collins – VP Membership

Sincerely,

*DeLicia Cole*

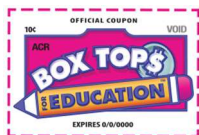

DeLicia Cole  
SES PTSA President

# Easy ways to support SES that require NO EXTRA time or money

\*\*\*\*\*

Use this link when shopping on Amazon and it will automatically pull up School of Engineering & Sciences PTSA as the organization you want to support: <https://smile.amazon.com/ch/90-0339838>. Once you have gone to this website, you can create a bookmark or shortcut for easier access. Use it every time you shop on Amazon to make sure a percentage of all your purchases go to School of Engineering and Sciences PTSA.

Download the ALL-NEW Box Tops app, shop as you normally would, then simply scan your store receipts to find participating products. The app will automatically credit your school's Box Tops earnings online. You can still clip them and send them to \*school. Physical Box Top clips are being phased out of production, but may continue to be found on many products throughout the store. Send your clipped Box Tops, along with any unexpired clips you may have at home, to school.

---

## Membership in PTSA does not require participation in meetings or functions.

Your membership is a way to support students and the valuable programs at SES. We invite every parent, teacher student and neighbor to join PTSA as we work to make SES the best it can be for our students. Become a member today.

### Becoming a member is easy...

1.

or

2.

or
