# Community BBQ & Building Debut

*Students, parents, alumni, industry partners, and community members are all welcome to join us for some light BBQ, something to drink, and an opportunity to come together to celebrate the start of another exciting school year!*

*We're especially excited to include an official opening ceremony for the latest addition to our campus - the new Engineering Building. We will be offering tours to showcase our purpose built facility and much of the state-of-the-art equipment students will be able to use in the coming school year!*
